

# BLESSED SACRAMENT SCHOOL

Dear BSS Donors:

This is a very exciting time in our school's history. We are full STREAM ahead with our continued commitment to provide all of our students in preschool through 8th grade with a challenging, engaging, and integrative curriculum. Blessed Sacrament School is now recognized by the North Carolina Department of Public Instruction and the North Carolina Science, Math and Technology Center as a STEM School of Distinction at the Model Level for both our elementary and middle school STREAM program.

A strong annual fund is important to help support the operating needs of a school. The Blessed Sacrament School **Fund for the Knights** provides essential unrestricted support each year for our students, faculty, and facilities. It is because of your generous support that we are able to provide our students with the highest-quality educational experience and an innovative learning environment that supports and develops the whole student—academically, physically and spiritually. We measure our success by the ability of our students to think critically and to engage in the world with a compassionate heart.

This year in addition to making a donation to our Fund for the Knights, we are asking you to consider purchasing a tree or shrub in honor of or in memory of a person or special event. Details regarding this program are enclosed along with our annual fund brochure and commitment form.

Please consider a new or increased donation that reflects the educational and spiritual experience you or a loved one has received from Blessed Sacrament School. All financial gifts benefit Blessed Sacrament School, and most gifts are tax-deductible.

We appreciate your donations at all levels and request your support during our 2016-17 annual appeal. Our website at [bssknights.org](http://bssknights.org) offers additional information. We encourage you to tour our campus to become familiar with our school and the many ways you can become involved!

## **Our Knight's Wish List for future advancement includes:**

**Outdoor Garden /Greenhouse**

**One to One Chromebook Program**

**Scholarships**

May God bless you for your continued support and may the Holy Spirit guide you to joyfully and generously continue this legacy of Catholic education to the next generation of Knights!

Sincerely,

Maria-Iniquen Gomez, Principal
