

**Order your 2017
Maker Faire Burlington T-Shirt!**

The theme Make to Grow celebrates all things green in our community. From beekeeping, agriculture and green energy, to biodiesel, dirt-to-shirt textiles and green STEM education—growth and sustainability is interwoven with Making and part of our green future.

The featured project for BSS is “Growing on Mars” and the design gives a nod to your project with a flower growing on mars. All Maker Faire Burlington sponsors, including BSS will be featured on the back. Thank you for your partnership with Maker Faire Burlington!

You can specify men’s or women’s size t-shirt for adult sizes. Women’s sizes tend to run a little smaller than usual, so depending on the fit you want order a size up. If no specification is made a standard adult t-shirt will be ordered.

Size	Cost	Men or Women's (M or W)	Qty	Total
Y XS	\$12			
Y S	\$12			
Y M	\$12			
Y L	\$12			
A S	\$15
